BOUTIQUE INCENTIVE

SPECIAL

PHILOSOPHY

Creating each project, focusing on **excellence in quality**.

Appropriate attention dedicated to the destination, the details, but above all to the people.
Organizing trips designed in complete correspondence to the client's **objectives** and **preferences**.

Innovation

SPECIAL

SERVICES

We realize incentive travel programmes, tailor-made events, team-building operations, integrated communication projects, training activities and live entertainment. Every project on which we work goes far beyond what can be seen at first glance and acquires progressively **greater value** as you move into its depths of meaning: it becomes an **immersive experience** in which **the desired objectives** are attained.

The Special team is distinctive for one of its absolute values: **style**. It has in-depth knowledge of locations and of the **national and international partners** with whom it interacts on a day-to-day basis, working together in site to provide constant, effective support to every client.

SPECIAL

ABOUT US

We are **visionary dreamers** of distant lands; we view the world as a magical location where we can discover ourselves and liberate our elemental nature.

For this reason, our proposals are usually **exclusive travel programmes** based on **unforgettable experiences**.

Our objective is to transmit emotions by means of panoramas, discoveries, and new friends.

And we guarantee that our **clients** become **the world's leading players**, wherever they are in the world.

SPECIAL

OPERATION

Be Special: before, during and after the event.

The attention that we dedicate to **partner selection** enables us to choose and **propose** only **the very best**, so that every detail becomes an important component in the development of a proposal that would be impossible to find elsewhere.

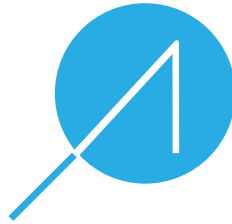

Be Special means bringing a dream into reality.
